

Committee Meeting Minutes – Third Meeting  
1/28/2008

Location: Holiday Inn at University of Memphis

Committee members present: Paul Gentry, Larry Holder, John Gill, Phillip Webster, Chris McGoldrick, Donna Olds White.

Also present at the meeting was Jennifer Stachowski from J<sup>2</sup> Reunions

The major topic of discussion centered on the location of the main event of the weekend. This is a dinner on Saturday night from 7 - 12. Two locations were suggested for this. The prices for these are as follows:

- Holiday Inn (Poplar and I-240) Dinner costs \$38 per person. Rooms are available for \$99 per night.
- Doubletree (downtown) Dinner costs \$40 per person. Rooms are available for \$149 per night.

Both locations had Saturdays available in October. We are waiting for homecoming schedule to be posted by Central before choosing an exact date. The general consensus seemed to be to move forward with the Holiday Inn if there is a banquet room still available. The reasons were that the hotel is located with easy access from the interstate and Jennifer has an excellent working relationship with this facility.

A catered lunch is being discussed for Saturday. Several options for locations were discussed. We will contact Central to see if it would be possible to have this at the school. The concerns about other locations were that the weather would be unpredictable. The cost for a catered lunch would be approximately \$10 per person plus any additional costs for facility use fees.

Class photos will be taken at the Saturday evening function. These will be available for \$15.

It was suggested that door prizes possibly be given at the dinner. These could be donated by local businesses so no additional costs would be required.

All committee members should plan to register and pay the \$25 deposit (see J<sup>2</sup> site for details on payments) ASAP. This will provide a list to be published on the J<sup>2</sup> site of those already committed to attending the events.

Jennifer requested that committee members begin to actively pass names and contact info to her for potential attendees. This can be passed through the Central High site or the J<sup>2</sup> site.

Paul will contact the principal at Central to ask about the following:

- Date for homecoming game
- Tour possibilities before or after the game
- Current contact info and whereabouts of faculty in 76-78
- Picnic at the school on Saturday: Possible? Cost? Tour the new building?

Respectfully submitted,  
Paul Gentry
