

Central Reunion Committee

4/7/2008

Location: Danver's Restaurant on Union Avenue

Members present at the meeting:

Larry Holder, John Gill, Chris McGoldrick, Phillip Webster, Luther Bradfute, and Paul Gentry. Also present: Jennifer Stachowski.

The major topic of discussion was the final ticket price for the weekend. This total came to \$85.00 per person. If a spouse or guest is invited, a second ticket needs to be purchased. This will pay for the catered picnic (BBQ from Combo's Hot wings), dinner at the Holiday Inn on Saturday night, party favors to be distributed and the fees for J2.

Now that ticket prices are established, each committee member is asked to pay in full for their own ticket(s) within 30 days. Members should also continue seeking classmates and funneling contact information to either Larry Holder or Jennifer Stachowski.

Luther and Jennifer discussed needs for the band as to setup and time requirements. It was discussed and approved that the members of the band would all receive complimentary dinner tickets on Saturday.

Some ideas for the committee to discuss include getting door prizes or finding donors for door prizes and determining favors to distribute. They should also determine categories on ballots for voting at the dinner on Saturday. Paul will check with Greg McCullough about costs of using the cafeteria for the picnic. J2 will send a mailing to all known classmates around the end of the month. They will also check into Holiday Inn providing a hospitality room for guests.

Respectfully submitted,

Paul Gentry
