

Greetings Central Supporter:

I would like to take the time to introduce myself to you. My name is Rodrick Gaston and I will be the new head coach of the Warrior football team. I am the former head coach of Bellevue Middle School, and during my tenure we have won five city championships and played for the state championship. Although I have enjoyed my time at Bellevue, I am looking forward to the task of helping the Warriors become champions.

As the new coach, my first priority is to bring that warrior pride back to Central. To do this, I will need your help. First I am asking all of you to support the program with your presence at our football games. Secondly, I am asking that you make a financial donation to help us build a better football team and create the best student athletes that we possibly can. These donations will help us go to camps, purchase updated equipment, and improve our weight and locker rooms. Any type of donation or assistance will be helpful and greatly appreciated. Again my main purpose is to lead this football team and regain the sense of Warrior pride.

Go Warriors!

Coach Rod Gaston
