

THERE'S NOTHING LIKE THE BEAN (Holder/Byford)

INTRO: Am, G, F, E

Am
1. You'll find 'em growing in the farmers' fields
Em
Across West Tennessee
F
They bring new life to rural towns
C G
They feed our economy
F C
Brazil to Argentina, Arkansas to the eastern shore,
G
Millions and millions of acres growing
F C
But the world keeps wanting more!

[CHORUS]

G F
Yes, three cheers for the Soybean, hero of the land.
C Am F G
From humblest beginnings, to makin' life so grand.
F G C F
It's got a million uses, beats all you've ever seen.
C Am
When it comes to crops, my friend,
F G Am, G, F, E
There's nothing like the bean -----
Am G
Soybean! (soybean), Soybean! (soybean),
Am
Soybean!

Am
2. You can grind 'em, you can crush 'em
Em
You can suck out all the oil
F
You can feed what's left to cattle
C G
And they'll smack their lips for more
F
You can feed 'em, or you can eat 'em
C
You can make a million things
G
From diesel fuel to kids' crayons
F C
From soap to plastic rings!

((CHORUS ABOVE))

Am
3. So gaze out 'cross the farmers' fields
Em
Throughout West Tennessee
F
Behold the crop that brings such hope
C G
To folks like you and me.
F
I guess to sum the whole thing up
C
Sounds crazy, but it's true:
G F C
The soybean is a miracle, from God to me and you!
